RULES OF ENGAGEMENT

By Regulation of AR 20-1:

Everyone has the right to see the IG (military, retirees, family members, civilians).

No allegation or request for assistance can be ignored.

The IG is not a Commander, we are fair and impartial fact finders and problem solvers.

Investigations, inquiries, and inspections are directed by the IG's Commander (not by the IG).

IG records cannot be used as the basis for adverse action nor to compare commands or commanders.
