Welcome Packet
Headquarters Detachment, First Army
Congratulations on your assignment to Headquarters, First U.S. Army located at Rock Island Arsenal, Illinois! On behalf of the proud and professional Officers, Non-Commissioned Officers, and Soldiers- welcome to our team! We're confident that you will find your tour of duty with Task Force Deed both challenging and rewarding.

The shared vision of our command is to be a Team of Fit Army Professionals Enabling Total Force Readiness.

First Army is FORSCOM's designated coordinating authority for implementation of the Army Total Force Policy. We partner with Reserve and National Guard leadership to advise, assist, and train their formations to achieve Department of the Army directed readiness requirements using multi-component integrated collective training. The outcome is that Combatant Commanders have trained and ready forces that support worldwide requirements. You may view a short video of our rich history by visiting www.youtube.com/watch?v=nppkcl8golk

A sponsor is assigned to you and will reach out to you soon, if they haven't already. Their job is to help ease your transition and assist you before, during and after your arrival. Our goal is to ensure that you have a smooth reception and integration into Task Force Deed and the Quad Cities area. Important information to discuss with your sponsor is local Soldier and Family support services; Rock Island Arsenal is small and lacks some of the amenities you may be used to.

My office phone number is (309) 782-9693 and e-mail address is allen.r.chrans.mil@mail.mil. Please don't hesitate to reach out to me if you have a question or a situation that your sponsor is having trouble resolving.

Dental Appointments & Updates

Rock Island Arsenal does not have a military dental clinic. The following are instructions on ‘how to’ receive authorization to visit a local dentist and update dental statuses in MEDPROS:

- Locate a local dental provider. You may do so at the following website, but please note that at times the list of providers is out dated: https://secure.addp-ucci.com/ddpddw/adsm/care-remote.xhtml. If you are unsure about a provider you have located, you may call the following number to validate: 1-866-984-2337.

- To coordinate your routine dental care, you must first obtain an Appointment Control Number (ACN). You can do that by calling 1-866-984-2337 or visiting to https://secure.addp-ucci.com/ddpddw/adsm/care-remote.xhtml
  - This must be obtained prior to receipt of all dental care. This includes initial, annual, and continuation of dental care. Upon submission, you will receive an Appointment Control Number that you should print for your records.

- Ensure you have a DD Form 2813 printed and ready for completion by your dental office prior to your dental appointment. At the end of your visit, ensure all information is filled in by you and the provider’s office.

- Once you appointment is complete, e-mail a copy of your DD Form 2813 to the HHD mailbox (usarmy.ria.first-army-hq.mbx.hhd@mail.mil) to update your dental readiness status.
